

Manufacturers Representatives

ITW Rocol North America

AccuLube cutting lubricant and dispenser systems. Rustlick water-soluble and synthetic coolant, lubricants and EDM fluids, SC 3000 coolant recycler, DaraClean cleaner

General Industrial Repair

Specializing in repair and replacement parts for manufacturing equipment in all industries with an emphasis on the extrusion and forging industries. Emergency service and breakdown repairs. Engineering, design and fabrication to customer requirements

Pacific Coast Tool & Die

45 Years of Experience in manufacturing parts for aluminum extrusion. Dies, backers, bolsters, dummy blocks, die rings and gages. CNC hollows and weld plates. Weld, rebuild and repair of dies, hollows and fixed noses.

Boggs Tool Company

Die shop supplies, burrs, files, abrasives, dowel pins, grinders, drills, taps, routers, end mills, diamond tools, industrial supplies

Condat Corp

Industrial lubricants for extrusion, forging, die casting and cold headforming, rust preventatives, maintenance lubricants and quenching oil

On Site Machine Service

Servicing and repair of equipment for the metals industry including Metlsaws, slitters, levelers, shears, brakes, sideloaders, compressors, and material handling equipment. Hydraulics, pneumatics and electronics including Allen-Bradley, servodynamics, HVAC, motor controls

Automation Control

Complete engineering and fabrication services available. Design and manufacture of custom machines, system integration, machine control

Universal Saw Co

40 years of experience in Carbide tipped saw blades for cutting aluminum plate and extrusion. New blades, retipping, sharpening and rebuilding

CTD Machine Company

Saws for aluminum and wood cutting. . Mitre, Double Mitre saws, Automatic saws, notching saws. Frame cutting saws. PLC controls

IMS Laser Services Group

3D, 6 Axis laser cutting of tube and pipe to 11" diameter x 26'long, square and structural materials to 8" square x 26' long, weight capacity of 1100 pounds.

Small Manufacturers Association of California

The only organization serving the needs of the California Small Manufacturer exclusively. Legislative Advocate for Manufacturing interests, Author of Manufacturing Legislation, Coalition

Comco Inc

Environmental and Safety Services- Consulting for OSHA, EPA & DOT compliance, Illness & Injury prevention plans, HAZWOPER training, wastewater management, Environmental & safety audits

Competitive Advantage

CRC Maintenance lubricants, aerosol lubricants, silicone sealants, adhesives, belt dressings, cleaning products, air tools, lapping compounds, Unibor portable mag drills and cutters, Carborundum abrasives. Milton air products

Wire Rope, Aircraft Cable & Slings

Wire Rope, Chain and Nylon slings, Aircraft cable assemblies, cable fittings, turnbuckles, hooks, Bardon hooks for log lifting
